

## Identity Theft A Four - Part Series

Within this message lies the truth. Actually, it 's the truth about lies.

The lies we tell ourselves and the damage they do if we don 't take hold.

There 's nothing little or white about them—lies keep us from finding our true identity.

The identity we have knowing that we 're living up to the amazing potential that God has planned for us.

### Today “ I Have to be Strong ”

We are going to look at one of the most common lies that our spiritual enemy wants us to believe, and that is the lie that we have to be strong, that we have to hold it all together. That if it 's going to be, it 's going to be up to me, that we have got to pull ourselves up by our boot straps, that we have to work harder, that we have to perform, that we 've got to produce...that we have to be strong.

#### Week 2 June 7th “This is Just the Way I Am ”

We are going to examine the lie that goes like this, the lie is, “ This is just the way I am. I can 't change. You know, I have always been kind of grumpy in the morning. It 's just the way I am. I 've got this addiction, and well, I 'm just always gonna have..... I 've tried in the past, but I just can 't overcome this addiction. You know, financially, we 've just always struggled. We can never be out of debt. We 're just never going to be good with money. I can 't have a good relationship. Yeah, other people can, but you know, we just can 't. God can heal other people, but I know that God won 't ever heal me. This is just the way I am. ”

#### Week 3 June 14th “ I 'm Not Good Enough ”

Today we are going to look at a lie that plagues so many of us, and this one has haunted us for years. And, it is the lie that we wrongly believe that, “ I 'm simply not good enough. ” This lie has affected us as parents. “ I 'm not a good enough dad. No matter how hard I try, I feel inadequate. I 'll never be a good enough husband. My best just isn 't good enough. ”

#### Week 4 June 21st “ I Am What I Do ”

### Don 't Miss This Exciting Series

No matter how strong you are. Your strength is limited.  
Eventually, you run out.
