

**Battles are inevitable but  
victory is not.**

We often find ourselves fighting enemies  
that are stronger than we are.

How do you stand fearless when there's so  
much at stake?

Be inspired by accounts from God's word about average people  
who became champions and overcame insurmountable odds.

Do you have what it takes?

Experience "FEARLESS"

**Beginning: September 13, 2009.**
